## 100 Works Kyoshi Hyakku Inabata

**haiku: a bridge between sweden and japan** - bibliography, attached at the end, he includes works by chamberlain, henderson, and revon, along with miyamori, blyth, and bonneau, and many other earlier and contemporary english, japanese, french, and german authors. the bibliography gives useful insight into the wide scope of haiku literature available in sweden in the 1950s. **title the quiet joy of peace and harmony : kyoshi takahama ...** - a realistic picture of a scene, kyoshi preferred the use of plain words, delineating lyrical, subjective feelings in his work. their opposing views were no longer equivocal—this became apparent when a discussion ensued after hekiyodo's . onsen hyakku (100 haiku poems on the theme of hot springs, september 1903) was published. **diversity in references to japanese plants compiled in the ...** - diversity in references to japanese plants compiled in the kadokawa haiku saijiki glossary of seasonal haikuterminology yoji aoki\*, fumihiko konta\*\*, takuji nozue\*\*\* \*national institute for ... **a study on expressing 3dcg animation s of renku** - a study on expressing 3dcg animation s of renku nobuhiko takada faculty of fine arts and infomatics [kanazawa gakuin university e-mail:ntakada@kanazawa-gu abstract basyo matsuo built up "haikai no renga [renku]", which was a form of japanese collaborative poetry. it is said that kyoshi takahama proposed the name of "renku" to distinguish it from "renga" and
