## Alaska Geographic Vol.9 No.4 Alaskas

**active earth - pc|mac** - north, volcanoes dot alaska's aleutian islands. in the west, japan and indonesia shake, rattle, and roll with strong earthquakes and fiery, hot volcanoes. closer to home on the pacific's eastern edge, volcanoes poke out of the cascade arc. the arc covers areas of northern california, oregon, washington, and parts of canada. here, you can **geographical indications, property rights, and value-added ...** - this paper originally appeared in the iowa ag review, vol. 9, no. 4, fall 2003. it is available online on the card website: card.iastate. permission is granted to reproduce this information with appropriate attribution to the author(s), the iowa ag review, and the center for agricultural and rural development, **works cited - sealaska heritage** - speech. alaska federation of natives' convention. afn board of direc-tors, fairbanks. oct. 1971. alaska native news magazine. 1984. peratrovich, roy. "keynote address." address. 65th annual convention of the alaska native brotherhood and sister-hood. hydaburg, ak. 14 nov. 1977. university of alaska anchorage, institute of social and ... **growth and volatility of micropolitan statistical areas in ...** - b. s. cortes et al| jibfr ♦ vol. 9 ♦ no. 4 ♦ 2015 only 61 (out of 536 areas, or 11%) micro areas with high income volatility rates during the period and only eleven having low rates. similarly, only 63 out of 536 micros had "high" population volatility rates and only two had "low" rates. **off the grid but on the radar: disconnected celebrity in ...** - this substantive niche of alaska-based reality fare, which i call 'subsistence tv' and will explore in this essay, echoes braving alaska by shadowing subjects living and labouring off the electrical - and ostensibly social - grid in landscapes depicted as remote, austere, and unforgiving. like much of alaska-based reality tv, these subsis- **geographical indications, property rights, and value-added ...** - fall 2003, vol. 9 no. 4 geographical indications, property rights, and value-added agriculture bruce a. babcock babcock@iastate 515-294-6785 w hat do vidalia onions, wisconsin cheese, and kona coffee have that feta cheese, champagne, and cognac do not? the first three products have trademark protection for their brand names (in this case ... **geological survey - usgs** - classified key to file subject entries. (1) geographic subjects. alabama. alaska, and the other states and territories. africa. asia. canada (including all of british columbia). **a debunking of the myth of healthy asian americans and ...** - american indian or alaska native, and asian (asian american) pacific islander. 5,6 this directive guides all federal record-keeping, collection, and presentation of data, including, for example, such activities of the us bureau of the census. technically, the term asian american refers to those bf asian
