## Forex Trading Systems Little Dirty

**introduction to the foreign exchange market** - abstract: before i'll describe forex market i'd like to say why i have choose this subject for this article. first of all i really think that still exist people which don't know about this activity and i strongly believe that in our days it's a must, especially for those people how want to double or **how to trade forex like a wall street pro - mark shawzin** - 2 • the forex systems churned out by marketers on the internet are just laughable - especially if you think that's how they make money on wall street. • forget about making 20%+ per month - that's how poor people think. now, if you agree with all three of those statements
