
Forming Limit Diagrams Concepts Methods

certified six sigma green belt - asq - certified six sigma green belt 7 management and planning tools define, select, and use 1) affinity diagrams, 2) interrelationship digraphs, 3) tree diagrams, **applying webb's depth-of-knowledge (dok) levels in science ...** - level 4 extended thinking requires high cognitive demand and is very complex. students are required to make several connections—relate ideas within the content area or among content areas—and have to select or devise one approach among many alternatives on how the situation can be solved.
