## Otorongo Jimlinsa

**review of otorongo (9781491795385) - forewordreviews** - jimlinsa takes a stream-of-consciousness approach in this compelling and creative erotic story. otorongo, by jimlinsa, is a highly fantastical exploration of cosmic love, destiny, and the spirit world that asks its audience to take a leap of the imagination. otorongo is a trippy, frequently confusing novel that hints at life's spiritual aspects.
