everyday saints by young june lew young june lew's "ordinary saint" oil bar and acrylic on paper. andrew  
bae/richard park 5 from as far as korea and south africa now. as art markets expand to global, my location  
needs **fall 2017 events calendar - uc berkeley institute of east ...** - featured artists: jung ran bae,  
sohyung choi, kay kang, miran lee, young june lew, nicholas oh, younhee paik, minji sohn in association with  
the mills college art museum and the asian art museum. **in-between places - mills college art museum** -  
young june lew is also affected by the brilliance of california sun-light evidenced by the rich gold backgrounds  
in her art that set off the cool stony-grey pagodas. she recognizes that being an artist is a lonely, isolating  
experience. for her, buddhist monuments form a bridge to the jung ran bae, teater-totter, 2014, porcelain. **24
